Dear Dr Senessie,

In connection with the Knowledge Center launch in Ethiopia on 16 July 2010, I am pleased to note that arrangement has been made by the WHO Reproductive Health and Research (RHR) Department for you to conduct a workshop for a Knowledge Team to be constituted by the Ministry of Health of Ethiopia. The workshop is tentatively scheduled on 19 and 20 July 2010.

I hope we will get a chance to meet in Addis Ababa upon your arrival, so that we may review the workshop program together with Ms Maggie Usher-Patel of RHR, and the GHWA team ahead of time.

Thank you in advance, and I look forward to seeing you.

Yours sincerely,

Getachew Sahlu
